CRVC Meetings and Stitch-Ins --

CRVC Meeting

Saturday, December 6th, 2025 Exploring a Variety of Forms of Blackwork

Each member will be given a copy of [Not Exactly Blackwork](#) by Susan Jones of *Finger Step Designs*. In the morning, we will review the contents of the 33-page chartpack, and perhaps discuss the origins of Blackwork and then its place in today's needlework. Each participant can use this booklet to choose a personal design -- perhaps one in the booklet or create one of her own. After lunch (bring your own or join us around the table for take-out), we will provide some pieces of fabric and canvas as well as threads to inspire you to proceed with your chosen project.

The workshop will take place from 10am to 4pm at [Thistle Needleworks](#) in Wethersfield, CT.

There is no fee for this meeting/workshop, but registration is required so we will know how many copies of the chartpack will be needed. You may do so by using the coupon at the end of this newsletter or by sending an email to CRVCEGA@aol.com on or before December first.

CRVC Meeting

Saturday, January 31st & March 7th, 2026 "Zelda the Zebra" with Toni Gerdes

Zelda is an exuberant Patchwork Zebra with her stripes of many colors. The jewel tone color palette makes Zelda exquisite. Zelda's "false" eyelashes will have her flirting with you. Several Rainbow Gallery metallics, Caron threads, Straw Silk, and Planet Earth Threads, along with beautiful beads, will be used to create her captivating design. The stitches will include old favorites, as well as a few surprises. The background will be a white-on-white diagonal pattern that emphasizes the design and enhances Zelda's whimsical personality.

Technique: Canvas Embroidery on 18ct. White Mono canvas
Level of Proficiency: Intermediate
Design Area: 11" x 9"

Kit Cost/Contents: \$175; line drawn canvas, instructions, threads, and embellishment

This workshop will be in person at [Thistle Needleworks](#) and on Zoom.

See the coupon at the end of this newsletter. The deadline for registration is November 24, 2025.

Early CRVC History

Back in the early days, CRVC was led by an executive board that consisted of the president, vice president, recording secretary, corresponding secretary, treasurer, and 4-6 directors. The "worker-bees", if I may call them that, were the program chair, newsletter editor, hospitality chair, and others whom I cannot remember (sorry). These members attended board meetings but did not participate except to give a report of their activities.

CRVC Display

An email call for pieces for the November display in Granby, CT, went out on September 9. It included what we're looking for this time around, and how to get the pieces to Kathryn Lord in a timely fashion. The theme is **Favorite Techniques**, and you can contribute 3-4 small to medium works, along with Title-Designer-Stitcher-Technique info. They will be shown in a secure display area at the Granby Public Library, 15 North Granby Road, Granby, CT. Kathryn needs the pieces by Wednesday October 22 in order to work up a layout. They will be returned after December 1.

If you didn't get the email, or it got buried, let Kathryn know and she'll resend to you!

Any questions or to arrange pick-up, email Kathryn at hglord@cox.net or call 860-653-0301 (it's a landline - do not text).

In conjunction with our November display at the Granby Public Library, 15 North Granby Road, Granby, CT, CRVC will host two come-one come-all stitch-ins there. They will be from 10:30 AM to 12:30 PM on Wednesday, November 5 and Saturday, November 15. If you can make it to one or both, bring along whatever you're working on for a couple of relaxing hours of stitching and chatting with library patrons. Wear a name tag, please!

CRVC Pre-Internet

If you have, or remember once owning, a CRVC 3-ring binder like this one then you will remember when it held a copy of the CRVC By-laws as well as the membership list. And..... you might have kept your copies of the newsletter in it, since it was published in 5.5" x 8.5" form, hole-punched, and mailed to every member.

The newsletters had cover art and "spacers" between the paragraphs of news that were drawings from member Lynn Payette.

America's Tapestry

The stitching area of the Connecticut Panel of *America's Tapestry* is approximately 36" x 48". [Click here](#) to see addition information about the Connecticut Panel.

Our members are welcome and, indeed, urged to add their talents to this piece. Contact Laura Kasowitz at Hartford Stitch (laura@hartfordstitch.com or 860-785-3093) for more information.

CRVC Website

In the spring of 2003, when she was CRVC president, Julia Harvey approached a member's husband whom she knew had created a website for that member's business, asking if he would create and maintain a website for the chapter. He agreed and, to this day, is the webmaster for the chapter. As an adjunct to that job, he also sends out each newsletter and adds it to the website.

CRVC Fund-Raising

The remaining books from the dissolved CRVC library, as well as other books and needlepoint canvases that have been donated to the chapter, are now available for purchase. [Click here](#) to view/order the available items.

~!~ HELP WANTED ~!~

Have you ever wanted to give being a newsletter editor a try? Now's your perfect opportunity. CRVC is in need of an editor for its newsletter. Duties include attending board meetings approximately 5-6 times a year to gather data, then putting all that information into newsletter form. Be as creative as you like. It is then distributed to our membership through the webmaster and posted on the CRVC web site.
